Level in national or international classification	University of Minnesota , USA
7- Dates	- First phase: November 17th- 30th 2004 - Second phase: 14th January 7th February ,2005
Title of qualification awarded	Market Research and Development Training Program (Italy & Netherland).

Principal subjects/ occupational skills covered	-First phase: Cairo – Egypt from November 17 th - 30 th 2004. - Second phase: visits to in Nederland and Italy from 14 th January 7 th February ,2005 Activities included visits to wholesale markets, supermarkets, ports, trade chambers, Production Firms, and many of the organizations involved in the export process
Name and type of organisation providing education and training	Agricultural Exports and Rural Incomes Project AERI funded by the United States Agency by International Development USAID and implemented by the Midwest Universities Consortium for International Activities MUCIA.
Level in national or international classification	(Italy & Nederland).

Training Program Attended National:

- A training course entitled "Basics of Digital Transformation", the Central Unit for Information Technology Training (CUIT), the Supreme Council of Egyptian Universities(2020)
- Training courses from the Measurement and Evaluation Centre at the Higher Education Development Projects Management Unit of the Supreme Council of Egyptian Universities, entitled:
 - ✓ Writing the test vocabulary
 - ✓ Preparing question banks
 - ✓ Preparing the specifications tour
- Training courses from the Faculty Development Centre with the title:
 - ✓ Financial and legal aspects of university work
 - ✓ Ethics of scientific research
 - ✓ Credit Hours System
 - ✓ Managing the research team
 - ✓ E-learning
 - ✓ Professional ethics and ethics
 - ✓ Course description and design
 - ✓ Make decisions and solve problems
 - ✓ Recent trends in teaching
 - ✓ Effective presentation skills
 - ✓ University legal aspects

- ✓ Teaching using technology
- ✓ Preparing the writing of scientific research and publishing it internationally
- ✓ Quality assurance and accreditation

Participated in The Following International Education Development Activities:

- **"Applications on Case Study" Hurghada April 2006**

By Prof Dr Kirby Barrick- Professor of Education and Communication Dean of Faculty of Agriculture University of Florida- USA

- **Modern Teaching Methods for ATS Ein Elsohna July 2006**

Jimmy Cano Professor of Education and Communication Ohio State University USA

Shannon Washburn Professor of Education and Communication University of Florida USA

- **Principles and applications of lesson plans**

Jamie Cano Professor of Education and Communication Ohio State University USA

Samirames Hotel Cairo 11-12 November 2006

- **Using Overhead Projector and Visual Aids Pyramids Movenpick 20-24th January 2007** Jamie Cano Professor of Education and Communication Ohio State University USA

- **Developing psychomotor skills for Agriculture Education**

Prof Philip Burriack- Chairman of Teaching Excellency Center- Illinois University- USA Ein Sokhna- Stella De Marie 18th -21st November 2007

- **Developing Supervised Experience Programs for Agricultural Technical School Students in Egypt**

By Prof Dr Kirby Barrick- Professor of Education and Communication Dean of Faculty of Agriculture University of Florida- USA August 13th -18th 2007

- **Active Learning Strategies and Visual Aids for Agriculture Education**

Jamie Cano, Professor Education and Communication Ohio State Univ.

Chris Morgan, Ph. D- Education- Communication and Leadership December 2nd-12th 2007- Sheraton- Luxor
